Thank You For Hosting A Table

By agreeing to serve as a table host for the 35th Annual Mission of Hope, you are making a commitment to help fill your table by inviting seven guests to attend with you. Your role is an important part of making the evening meaningful and successful, as each table host helps introduce others to the work of the Rescue Mission and the impact this event has in our community. Thank you for helping us gather people together in support of hope, healing, and transformation.
